This Enrollment Agreement (“Agreement”) is for the following Program of Undergraduate study:______________

Required number of credits: ______________

Required number of courses: _____________
B. **Student Status & Definitions:**

In this Enrollment Agreement ("Agreement"), "Degree Program" refers to the undergraduate program of study elected by the student. The Degree Program does not include any courses taken under the Non-degree Special Student ("NDSS") programs. Only students who are admitted as a Degree Seeking Student ("DSS") may study toward their selected Degree Program. Students admitted as a Non-degree Special Student are required to complete the Non-degree Special Student courses as a prerequisite for commencing a Degree Program.

The Non-degree Special Student programs are not part of any undergraduate degree program of study and any credit earned under NDSS programs will not be counted toward the Degree Program requirements. The status of a Non-degree Special Student who successfully completes his or her Non-degree Special Student program will change to Degree Seeking Student. Under such circumstances, the requirements of this Agreement will continue to apply. A Non-degree Special Student who does not successfully complete his or her required courses as determined by the University will not be admitted to the University as a Degree Seeking Student; in such case, his or her enrollment will terminate and this Agreement will cease to apply.

For purposes of this Agreement, the term "Student" shall include both Degree Seeking Student and Non-degree Special Student. Unless otherwise indicated, all the requirements and obligations which apply to a Student shall apply to both a Degree Seeking Student and to a Non-degree Special Student (where relevant).

C. **Processing Fees and Charges:**

(a) All processing fees outlined in this Agreement are in US Dollars.

(b) Students are required to pay both the Application Processing Fee and Exam Processing Fees.

(c) Non-degree Special Students are required to pay the Application Processing Fee and an Exam Processing Fee for each of their courses. If admitted into their desired Degree Program, Non-degree Special Students must pay all Exam Processing Fees for their Degree Program.

University of the People, a California not-for-profit organization, does not charge any tuition to students enrolled for the current term, but reserves the right to charge tuition to students for future terms; the cost of such tuition is at the sole discretion of the University. Following are the student fees for the current term:

- **Application Processing Fee:** $50 per applicant, as a one-time fee (nonrefundable)
- **Exam Processing Fee:** $100 per student per exam (nonrefundable)
- **Tuition:** There are currently no tuition charges to the student.

Total fees for each Degree Program* are as follows:

- **A.S. Degree:** $2050 ($100 x 20 courses + $50)
- **B.S. Degree:** $4050 ($100 x 40 courses + $50)

* The above fees pertain only to students enrolled in a Degree Program. Degree Program refers to the undergraduate program of study that a student elects to pursue and for which the student has been admitted. Degree Program fees do not include any fees pertaining to Non-degree Special Student programs (a Non-degree Special Student is required to pay a $100 Exam Processing Fee for every course in his/her Non-degree Special Student program). After completing successfully the Non-degree Special Student program, the student may proceed to a status of a Degree Seeking Student. After becoming a degree seeking student, the above Degree Program fees shall apply.

The above estimated fees are based on the successful completion of all courses (assuming a single-sitting for each course). Students who are required to repeat courses will incur an additional Exam Processing Fee for each additional course taken.
The University reserves the right to change the cost of the Application Processing Fee and the Exam Processing Fees. The amount of the Exam Processing Fee will be reviewed annually, and any change to the fee amount will be effective as of September 1st. Students will be notified of the change in fees no later than June 1st.

(i) **Application Processing Fee - University Grant:**

The Application Processing Fee must be submitted by an applicant along with his or her application for enrollment.

University Grants for the Application Processing Fee might be available to applicants based on their need, as declared by the applicant and determined by UoPeople.

(ii) **Exam Processing Fees**

Students are required to pay an Exam Processing Fee of $100 for each course. The Exam Processing Fee for each course must be paid prior to the commencement of the final exam period.

If a student takes the final exam and the Examination Processing Fee is not paid by the end of term, a financial hold will be placed on the student’s file. In this event, the student will not be permitted to register or continue taking courses until all outstanding payments are made and the hold removed. Students are encouraged to plan, anticipate, and budget for all Examination Processing Fee payments to avoid interruption of their academic schedule.

The Exam Processing Fee is not refundable for students who take the exam. Students who drop or withdraw from a course within the required deadline are not required to pay the Examination Processing Fee. In addition, students who paid an Exam Processing Fee but did not take the exam will be awarded a refund upon request; the request must be made in writing to payments@uopeople.edu, within 30 days of the end of the Exam Period.

**NOTICE CONCERNING CALIFORNIA STUDENT TUITION RECOVERY FUND** – You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if the following applies to you:

1. You are a California resident (or enrolled in a residency program) and at least part of your tuition has been prepaid by either cash, guaranteed student loans, or personal loans; and
2. Total charges on your behalf have not been paid by any third-payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident or you are not enrolled in a residency program; or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

Although UoPeople is tuition-free, the fee is calculated based on “institutional charges” and thus applies to Exam Processing Fees.

Note that the first Exam Processing Fee for students residing in California remains $100. A portion of that $100 fee will be counted toward the Student Tuition Recovery Fund and is not refundable.

(iii) **Total Estimated Fees**

THE FOLLOWING TERMS AND CONDITIONS
ARE A PART OF THIS AGREEMENT

F. Terms and Conditions:

1. **General.** This Agreement is a *legally binding agreement when signed by the student and accepted by the University*. By signing this Agreement students acknowledge that they have been given reasonable time to read and understand it and that they have been given: (a) a written statement of the refund policy including examples of how it applies; and (b) a University Catalog and/or a link to a University Catalog including a description of the course or educational service including all material facts concerning the University and the Program or course of instruction which are likely to affect their decision to enroll.

2. **Progress.** A student must pass the course Online Education Strategies in order to progress in their Degree Program. A student can retake this course only once. The School reserves the right to terminate a student’s enrollment if a student does not pass Online Education Strategies on their second attempt, or fails to meet Satisfactory Academic Progress as described in the University Catalog.

Non-degree Special Students are required to successfully complete the Non-degree Special Students program in order to be admitted to the University as a Degree Seeking Student. A minimum passing grade may be prescribed by the University. A student can only retake this course one time. The School reserves the right to terminate a student’s enrollment if a student does not pass this course on their second attempt.

A Degree will be granted to a student who successfully completes each course in their academic Degree Program.

3. **STUDENT’S RIGHT TO CANCEL.** A student has the right to cancel this Agreement in any manner and at any time. Cancellation is effective five (5) days after the University receives notification of a student’s cancellation. During this time, you may notify the University that you no longer wish to cancel this Agreement.

Notice of Cancellation is effective if it shows that the student no longer wishes to be bound by this Agreement or to continue their attendance at the University. If the student cancels this Agreement, the student shall not be liable to the University and the University shall refund any money paid through attendance at the first class session or the seventh day after enrollment, whichever is later, excepting any non-refundable fees.
4. Refund Information. Students have the right to withdraw from a course of instruction at any time. The Application Processing Fee and the Student Tuition Recovery Fund fee paid by residents of California are nonrefundable. The Exam Processing Fee is only refundable in instances where the student has not taken the exam. The University will not refund Exam Processing Fees paid for exams that have been taken. If a student has not taken an exam for which the student paid an Exam Processing Fee, the student will be awarded a refund upon request, provided this request is made in writing to payments@uopeople.edu within thirty (30) days of the end of the Exam period.

AS UNIVERSITY OF THE PEOPLE CURRENTLY DOES NOT CHARGE TUITION FOR PROGRAMS, THERE ARE CURRENTLY NO TUITION REFUNDS AVAILABLE TO STUDENTS.

5. Loans: If a student obtains a loan to pay for their fees, that student has full responsibility for repaying the full amount of the loan plus interest, less the amount of any refund. If a student receives federal student financial aid funds, they are entitled to a refund of amounts not paid from federal student financial aid program funds.

If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

(a) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the student is entitled, to reduce the balance owed on the loan.

(b) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

6. Governing Law: This Agreement shall be governed by and construed in accordance with the laws of the State of California only. Any unresolved dispute which is related to this Agreement and has not been amicably resolved shall be brought before a court of competent jurisdiction in the State of California, which will have sole jurisdiction in this regard.

7. Termination Date: This Agreement will terminate as follows:

   A.S Degree: Five (5) years from the date studies commence.

   B.S Degree: Ten (10) years from the date studies commence.

Students must have completed the Degree Program of study prior to the Termination Date. Failure to do so will result in termination of a student’s enrollment.

Extensions to the time to complete a degree will be considered on a case-by-case basis, upon proof of extenuating circumstances, and will be reviewed on a case-by-case basis. There are no special charges or fees associated with making a request for a special review or for extending enrollment.

Reinstatement is a procedure that allows former students the opportunity to return to the University:

- UoPeople students who have been suspended from the University of the People for disciplinary reasons for five (5) or fewer terms must apply for reinstatement and return to their studies in the term immediately following the end of the suspension period.

- UoPeople students who have formally withdrawn from the University and have been away for more than five (5) but fewer than fifteen (15) consecutive terms, may apply for reinstatement.

1. **Student Tuition Recovery Fund**

THE FOLLOWING INFORMATION REGARDING THE STUDENT TUITION RECOVERY FUND IS DISCLOSED TO STUDENTS IN ACCORDANCE WITH THE CALIFORNIA PRIVATE POSTSECONDARY EDUCATION ACT (THE “ACT”)- The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents (or are enrolled in residency programs), attending certain schools regulated by the Bureau for Private Postsecondary and Vocational Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.

2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law, or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.

4. There was a material failure to comply with the Act or this Division within thirty (30) days before the school closed or, if the material failure began earlier than thirty (30) days prior to closure, the period determined by the Bureau.

5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

To be eligible for STRF, the student must be a California resident and reside in California at the time this Agreement is signed or when the student receives lessons at a California mailing address from an approved institution offering correspondence instruction. A student who is temporarily residing in California for the sole purpose of pursuing an education, specifically a person who holds a student visa, is not considered a California resident. Further, students who are the recipients of third-party tuition and course costs are not eligible for protection under and recovery from STRF.

To qualify for STRF reimbursement the student must file a STRF application within one (1) year of receiving notice from the BPPE that the University is closed. If the student does not receive notice from the BPPE, the student has four (4) years from the date of closure to file a STRF application. If a judgment is obtained, the student must file a STRF application within two (2) years of the final judgment.

It is important that students keep copies of this Agreement, financial aid papers, receipts or any other information that documents amounts paid to the University.
Questions regarding the STRF may be directed to: Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, P.O. Box 980818, W. Sacramento, CA 95798-0818, www.bppe.ca.gov, Phone: (916) 431-6959, Toll Free: 1 (888) 370-7589, Fax: (916) 263-1897.

J. Complaints

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (toll free: +1 (888) 370-7589) or by completing a complaint form, which can be obtained on the Bureau's Internet Web site (http://www.bppe.ca.gov).

For internal grievances, grade appeals, and complaints about academic issues, students should refer to procedures, including the grievance procedure outlined in the University Catalog. Nothing in the grievance procedure should be taken as precluding any right that the student may have to seek any contractual or other legal remedies.
